

Northwest High School Senior Parking

Provide a detailed sketch of the design you would like approved in the diagram below. Please note the paint colors you will be using for each part of your design and remember to include a 12 inch border.

Parking Space Guidelines

- Purchase a NHS parking permit for \$20.00 AND a senior parking permit for \$100.00.
- Bring completed senior parking packet and a sketch of your proposed design. The design may not exceed the parking space outlines and it must be school appropriate.
- Your name will then be placed in a "hat" for drawing purposes on August 9th.
- Purchase concrete appropriate paint in the approved campus colors (see attached spec) along with any paintbrushes or other supplies you might need. We recommend you sweep off your spot before you paint. A primer is highly suggested to prevent cracking and chipping.
- In the NHS West Parking lot on **August 9th at 7AM**, after final approval of the parking contracts and designs, a NHS designee will draw names for seniors to then select their parking space. When your name is drawn you will at that time be able to select your parking space and begin painting. You or your designee must be present to select your space.
- Painting must be completed by **August 18th at 10 PM**.
- Purchased Senior Spaces may be left unpainted if student does not want to decorate their parking space.

Payment Schedule

All payments will be made using the [NISD Online Payment System](#). Each student is required to purchase a General Parking pass before purchasing a Senior Parking Space.

Pay Schedule for 2019-2020:

General Parking:	\$20.00
NISD General Student Parking Permit (Principal Fundraiser)	
Senior Parking Spaces	\$100.00
NISD Senior Parking Maintenance Fee	
\$80.00	
Campus Fundraiser	\$20.00
